## Important Information

### Mission of the HOPE Charter School

HOPE Charter School is an educational setting that is wholly configured to meet the unique needs of students who are not currently succeeding in their conventional school, may not be attending school or attending sporadically, and/or may be in danger of leaving school prior to their graduation. The school provides an environment that is designed to meet the unique and comprehensive needs of these at risk students by utilizing small learning groups and individual interaction of students with a multi-disciplinary staff that is trained and committed to successfully educating each of these students.

### Admissions policy

**When does HOPE begin accepting applications for each year?**

*We start to accept applications for the upcoming school year on November 1st of each year.*

**Are applications accepted over a limited time span, or are they accepted at any time?**

*We begin to actually enroll students after the end of the enrollment period, which is February 28th. Following February 28, if we still have available space, we will accept on a first-come, first-served basis.*

**If more applications are submitted than spaces available, what is the process?**

*We would have a "lottery" during early March, per the above policy. A lottery means that names are randomly selected by a neutral party in a public process.*

**Does HOPE CS create a waiting list, if applicable?**

*We create a waiting list for each grade.*

**How long is the waiting list valid?**

*Till the end of the school year only. You need to submit another application for the following year, if we do not come to your child's name on our waiting list.*

**What happens if a slot becomes available during the year?**

*A letter is sent to all parents who have students on the waiting list, asking them to respond if they are still interested. If we do not get a response from the parent, or if the student is accommodated elsewhere, we will go to the next name on the list and the student's name will be removed from the list. We accept in the order in which the applications are dated. If you do not date the application, we will use the date received by the school.*

**Does HOPE CS ever admit students exclusive of the lottery and/or waiting list?**

*We admit the sibling of an existing student if we have space. But no other students are admitted until the waiting list is exhausted, unless the waiting list is shorter than the number of slots per grade available.*

### Please read.....

- All incoming students are tested as part of the application/admissions process. The test is short and is in reading and math. Admission is not contingent on the result of testing, and testing is done to determine appropriate class placement and the academic needs of the student.
- You must send all documents that are listed on the back page of this application.
- A Physical Form and Student Statement form are included in this packet. Please note the child's physical must have been done within 4 months of the admission date.
- Please remember that both parent and student must sign this application.

*The HOPE Charter High School will not discriminate in admission, educational programs, or activities, based on race, color, religion, national origin, ancestry, physical handicap, gender, sexual orientation, or limited English proficiency. This policy of non-discrimination extends to all other legally protected classifications.*

*HOPE Charter School will consider your application without regard to special education status or other details that you have provided us in this application. All information requested is so that we can provide the best possible educational services for your child.*

State briefly why you would like your child to come to HOPE Charter School:

Name of student:

# Parent/Guardian Agreement

I agree to be an active participant in the educational growth and development of my child by being an involved parent at HOPE Charter School.

- I will establish regular contact with my child's teachers.
- I will review with my child the "Code of Conduct" and "Handbook For Students and Parents" and monitor enforcement.
- I will reinforce the efforts of teachers and administrators.
- I will encourage my child with all educational endeavors.
- I will oversee at least one hour's homework each evening.
- I will enforce the uniform policy.
- I agree to school therapists, social workers, and other professionals interchanging information within the school team regarding my child's academic and therapeutic well-being, as per HIPPA regulations.
- I will work with the Home and School Association, and I will make every possible effort to attend the meetings.
- I will volunteer at least 2 hours of my time at HCS monthly.
- If I change my address or phone numbers, or emergency contact numbers, I will immediately let the school know.
- I understand and accept that HCS is not responsible, in any manner, shape or form, for damage caused to, or theft of, students' or parents' property by whomever. Property includes motor vehicles, computer equipment, cell phones, or any other property which is owned or borrowed by the student/parent, whether on or off our property, even if in our temporary possession. Parents/Students are advised not to bring cell phones or other valuables to school.
- HOPE Charter School health services staff will work with my child and me to insure wellness and good health habits.
- HOPE Charter School provides school health services as required by the School Code and Department of Health Regulations, which include:
